

WORKING TOGETHER WITH COMMUNITY GARDENS

ONE PROJECT, ALL AREAS OF EXTENSION

BELOW ARE SOME EXAMPLES OF WAYS ALL AREAS OF EXTENSION COULD WORK TOGETHER TO INCORPORATE A COMMUNITY GARDEN IN THEIR PROGRAM.

COMMUNITY DEVELOPMENT: 1

- Utilize community connections such as Farmers' Markets
- Giving Gardens
- Participate in Farm to School education

2 AGRICULTURAL AND NATURAL RESOURCES:

- Work with Master Gardeners to hold educational workshops
- Apply for a *Growing Together Grant*
- Utilize *FoodLink*

COMMUNITY WELLNESS COORDINATOR: 5

- *Eat, Gather, Go* and *Growing Together Grant* Opportunities
- Giving Gardens
- Food pantry partnerships

3 HEALTH AND HUMAN SCIENCES:

- Hold educational workshops on food safety, food demonstrations, and recipe creation
- Utilize *FoodLink*

OTHER IDEAS:

4 4-H

- Create a Gardening SPARK Club
- Participate in Farm to School education
- Use with the gardening or natural resource projects
